

ELLIOTT EXCURSION FRIDAY NIGHT IS MADE BY MANY

**Sale of Pies and
Boxes Nets About \$100 for
Piano Fund of Elliott Women's
Community Club—
Mason Is Auctioneer**

A large number of Vernon business men, accompanied by the Vernon band, made the excursion to Elliott last Friday night to attend the box and pie supper held there under the auspices of the women's community club.

A. P. Mason, well known farmer of the Elliott section and a former tax assessor of Wilbarger county, was in charge of the program held in the Elliott Baptist church. He welcomed the visitors in an eloquent address at the opening of the meeting, declaring that the Elliott people were interested in every enterprise that has for its object the upbuilding of Wilbarger county.

Secretary R. M. Fielder of the Vernon Chamber of Commerce, K. H. Nichols and W. H. Higgins responded on behalf of the Vernon party.

The band gave a musical program of several numbers and Mrs. Guy Puckett played a piano solo.

Acting as auctioneer, Mr. Mason began selling the pies, cakes and boxes for the benefit of a fund to pay for a piano recently purchased. Mr. Mason kept interest at a high pitch by telling stories and good natured bantering of different people in the audience. R. M. Fielder and M. C. Culbertson later in the evening took up the work of auctioneer after Mr. Mason had become somewhat wearied with his work.

Pies were sold at prices varying from \$1 up to \$2.50, and \$3, while some of the most attractive boxes sold as high as \$9.50 and \$9.75. The auction sale of edibles brought something like \$100 into the piano fund. Everybody had a fine time and as the party broke up just before midnight the Elliott people expressed their pleasure at the visit of the Vernon people and invited them to repeat the visit at some future date.

Robinson Motor Co. Secures Studebaker Agency for Vernon

The Robinson Motor Company will hereafter be local representatives of the Studebaker line of automobiles, a deal to that effect having been closed this week. Until recently this concern handled the Buick line.

"The new Studebaker is one of the best automobiles on the market today," J. A. Robinson, manager of the Robinson Motor Company, declared today, "and that is the reason why we feel fortunate in securing the Vernon agency for the Studebaker line. The new Studebaker models have a number of features that make them in a class by themselves and we are confident that we can build up a good business on the Studebaker here."

A light six touring, also a special six have already been received and is now on display in the sales rooms on the south side of the square. Mr. Robinson also reports the delivery to Mr. L. G. Lehmann of a light six touring.

Fisher-Carroll.

J. F. Fisher and Miss Vernie Carroll were married at 11:30 o'clock Monday morning, Oct. 8 by T. J. Griffiths, Justice of the Peace, in his office at the Court House in Vernon. They are both residents of Bradley Corner and will continue to make their home in that town.

Work on Mason Building Starts.

The work of remodeling the Harry Mason building on the east side of the square has been started by the contractors, Allen & Davis. Scaffolding is being erected in front of the building preparatory to tearing out the old brick wall to give way to a modern front.

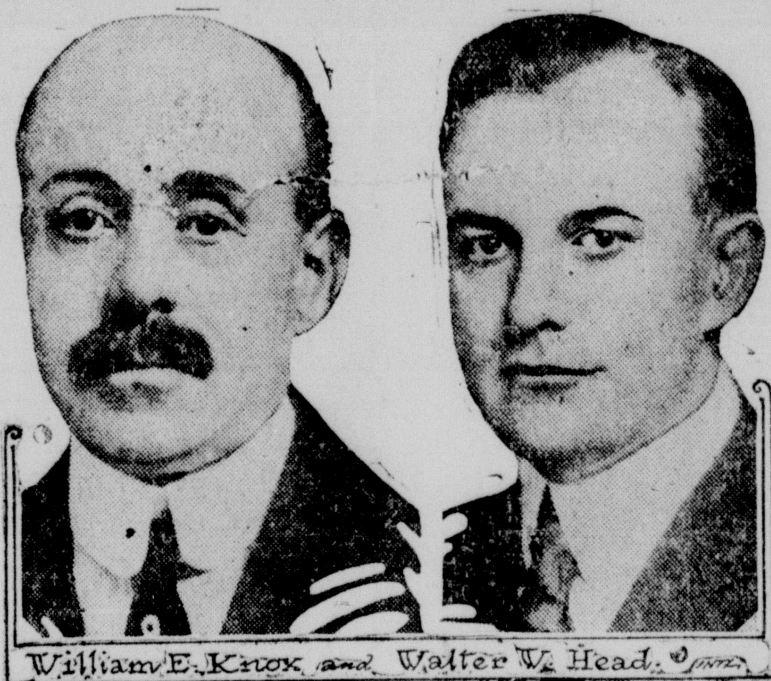

Record Building Nears Completion.

The new home of The Vernon Record at the corner of Texas and Cumberland streets is nearing completion. The interior finishing is now under way and the building will be ready for occupancy by November 1.

Yelvington Returns To Vernon.

Henry B. Yelvington will return to Vernon this week from Houston to resume his work as reporter for The Record after an absence of several weeks.

NEW HEADS OF BANKERS' ASSOCIATION.

Walter William Hand, President of the Omaha National Bank, of Omaha, Neb., formerly First Vice-President of the American Bankers' Association, has been unanimously elected President of the Association, at its forty-ninth annual convention in Atlantic City. He succeeds J. H. Puelcheer, of Milwaukee. William E. Knox, President of the Bowery Savings Bank, of New York City, was elected First Vice-President and will automatically become President next year.

ANNOUNCE PRIZES FOR ELKS PARADE

**AWARD OF \$20 WILL GO TO
BEST DECORATED AUTO-
MOBILE OCTOBER 17**

Prizes are to be awarded for the best decorated automobiles in the parade to be staged on the afternoon of Wednesday, Oct. 17, at the opening of the Elks jubilee and automobile show, to be staged under the auspices of the local Elks lodge, four days.

The first place prize in the decorated automobile contest will carry a cash prize of \$20. Fifteen dollars goes with second place and third place will win \$10.

Prizes will also be given to the four most beautiful young women who ride in the parade. These will be announced later. Those who wish to enter the decorated automobile contest should register with J. W. Fagg, who has charge of the jubilee. Mr. Fagg's headquarters are the Collins & Ingram store.

Thursday night a masked ball will be staged in honor of the princess of Quannah. This is expected to be one of the most enjoyable features of the four-day celebration.

The jubilee and automobile show will be given in the Crenger building on the southwest corner of the square.

Commissioners to Consider Bids on Jail Improvement

The County Commissioners are in session today to consider bids on a third story for the county jail, including cells and other equipment necessary for its completion.

The additional room in the jail is made necessary because of lack of facilities for taking care of the different kinds of prisoners. With the present capacity it is impossible for whites and blacks of both sexes and insane and juvenile prisoners to be kept in separate cells.

Placing blacks and whites in the same cells is not good policy, in the opinion of county officials, and then when the county has insane prisoners and juvenile offenders the question of properly housing them is still further complicated.

It is not known just what the improvement will cost or whether it will be undertaken at this time or not, but conditions at the jail are such that something must be done at an early date, according to county officials.

Lisman Sings Again Over Radio at Dallas Vernon "Listens In"

Edwin Lisman, basso-baritone, and former Vernon man, now teacher of voice at Bush Temple, Dallas, sang recently over the Dallas News broadcasting station to the delight of his Vernon friends and a host of others all over America. Telegrams and letters of congratulations came pouring in soon after the program. Nearly every state in the union and Mexico and Canada sent congratulations. His splendid program included "Give A Man A Horse He Can Ride" and some negro spirituals.

West Texas friends and fans in the east particularly enjoyed the song about the horse.

LOCAL DEMOLAYS GO TO CHILDRESS

**CHAPTER IS INSTITUTED UNDER
DIRECTION OF ADVISOR
OF VERNON LODGE**

Childress Chapter of DeMolay was instituted by The Vernon Chapter Friday evening. The members of the Vernon chapter arrived in Childress about 7 o'clock and were immediately ushered to the First Presbyterian Church where they enjoyed a banquet served by the ladies of the Eastern Star.

The initiatory degree was conferred on 7 candidates. The principal officers of the Vernon Chapter were present, Thornton Ferguson, M. C.; Robert Stokes, S. C.; Frank Sylvester, J. C.; Robert Hammett, S. D.; Vivian Smith, J. D.

The Order of DeMolay was conferred by the regular degree team, and those who had seen the degree conferred before all agreed that the degree team of the Vernon Chapter made a better impression than any other they had witnessed. The members of the team follow: Frank Parr, Guy Norwood, Clarence Justin, Frank Sylvester, Herbert Robinson, Cecil Ferguson and Robert Stokes.

E. M. Haney, advisor for the Vernon Chapter, authorized to institute Childress Chapter, appointed acting officers from the Childress advisory council and the Chapter was duly instituted.

Other members and officers of the Vernon Chapter who were present were: Clois Morris, Chancy Estes, Lonie Bildstein, Leo Davis, Ambers Robinson, Aubrey Hindlestone, Thornton Staley, Dow Spidle, Herman Abbott, Emory Rogers, Chas. Blackwood, Frank Massie, Robert More, Ruel Cooper, Robert Wright, Milwe Lewis, Elmo Sylvester, Allen Coleman, Dalmir Langley, Lea Lincoam, Robert Williams and Raymond Zachary.

Memorial Window for Soldiers To Be Placed in Church

A movement to place a memorial window in the main auditorium of the new Presbyterian church to the men of Wilbarger county who were killed in action or died in the service of their country during the World War has been started.

All citizens of the county, who wish to donate are asked to send the money to Dr. E. L. Moore, pastor of the Presbyterian church or to E. M. Haney, commander of the local post of the American Legion. The cost will not be great, it is pointed out, to erect a suitable memorial to the boys of the county, who made the supreme sacrifice.

Marriage Licenses.

Marriage licenses were issued last week to Clarence Smith and Miss Fenton Whitl; A. M. Myrick and Miss Lorene Ashbey; Jesse Luther Edwards and Miss Inez Tennyson Eldson; Crawford Leach and Miss Meedie Goin; and to Arthur Richardson and Eliza Lee Mitchell, negroes.

Rebeksas To Initiate.

The Vernon Rebekah lodge will initiate candidates Friday night at the Odd Fellow Hall. The Vernon Rebekah degree staff will confer the degrees.

VERNON STUDENTS RECORDS AT STATE MAKE HIGH GRADE

**University of Texas Statistician Announces Interesting
Figures on Work of Graduates
of Affiliated Schools
Over the State**

Freshmen from the Vernon high entered in the University of Texas last year made better grades than the average for graduates of 224 affiliated schools, according to an announcement made by the University statistician.

On a basis of five courses the average grades of freshmen was 4.70, figuring D as the passing grade. Vernon students averaged 6.29. Students from only ten of the 224 schools made a higher average than Vernon.

They were: Barkbarnett 6.46, Denton 6.88, Matonia 6.69, La Grange 6.59, McAllen 6.87, Ozona 6.49, Sabinal 7.38, Sillsbee 7.33, Slaton 6.28, Cotulla 6.33.

Averages made by students from other representative schools were: Abilene 4.40, Amarillo 5.48, Dallas 5.07, Electra 3.80, Quannah 4.21, Wichita Falls 3.92, Iowa Park 4.21, Childress 3.56.

It is also revealed from the announcement from Austin that Vernon freshmen students in the University made better average grades in their first year's work than freshmen from any of the affiliated junior colleges, and outranged graduates of some of the best high schools in Texas, including all of the larger cities.

This record speaks highly for the character of work done in the local schools. The averages are figured in such a way as to make it practically impossible for the result to be due to exceptional students. After allowance is made for such a contingency as this it will be seen that Vernon graduates stand among the leaders.

The standard of work done in the local schools has shown steady improvement since 1906 when the State Department of Education began keeping records of units of credit for high schools in Texas. The following figures will show the progress made by the Vernon high school in this respect:

19068 Credits
191213 1-2 Credits
191714 1-2 Credits
191815 1-2 Credits
192122 Credits
192227 1-2 Credits
192329 1-2 Credits

FIRE DRILLS HELD AT LOCAL SCHOOLS

**UNUSUAL RECORDS ARE MADE
AT EACH OF WARD BUILD-
INGS THIS WEEK**

Fire drills are included in the observance of fire prevention week in the local schools, Superintendent E. L. Dohoney announces. On a fire drill at the Central building yesterday the students were gotten outside the building without the slightest confusion or crowding in fifty seconds. The Shive building was emptied of its human cargo in one minute and the Parker school students were clear of the building in 22 seconds on a recent test.

Fire prevention programs will be given at the ward schools Thursday afternoon and at the high school Friday morning. In addition to staging fire drills and having papers read by students on various phases of fire prevention, representatives of the fire department will speak at each of the school buildings in the city.

M. R. Sewell will speak at the Shive school, J. D. Key at the Parker school, E. M. Rogers at the Central building and T. L. Rouse at the high school.

Rev. Jeff D. Ray Preached Sunday at First Baptist Church

Rev. Jeff D. Ray of Fort Worth, prominent Baptist minister, occupied the pulpit at both services at the First Baptist church Sunday. At the morning service he took for his theme, "Deaconship." At the close of the sermon, the following deacons were ordained: S. C. Hogsett, J. V. Roberts, G. G. Kemp, R. L. Freeman, Faye Eggleston, W. N. Martin and R. G. Hughes.

FINDS DAUGHTER AFTER 10-YEAR SEARCH.

Joseph and Dorothy Kline, wife.

After a 10-year hunt that took him into every State in the Union on seven trips across the continent, Joseph Kline has just been reunited with his 15-year-old daughter, Dorothy, who had lived most of the time within a few blocks of her father's home in Cleveland, Ohio. When Dorothy was one year old her mother died, and her father placed her in a home, while he traveled in the West. Returning several years later, he found she had been adopted, but through an error all trace of the foster parents was lost. He found two other children he had left with relatives, but though he spent a fortune he could find no trace of Dorothy. Adopted by a Cleveland family at the age of four, Dorothy did not know her foster parents were not her own. Recently the little girl wandered into a part of Cleveland she did not remember having been in before. She saw a house—the orphanage—she remembered and she entered. When she told who she was her father was notified, and the foster parents have agreed to give her up.

WEST POINT EXAM TO BE HELD HERE

**CONGRESS MAN WILLIAMS TO
MAKE APPOINTMENT FROM
HIGHEST GRADES.**

There will be held a civil service examination at any of the following places on October 27, 1923, to select two young men for appointment to West Point, also two alternates. Young men between the ages of 17 and 22 are eligible. The two receiving the highest grades will be designated as principals and the two receiving the next highest will be designated as alternates. The places designated for examination are as follows: Seymour, Henrietta, Denton, Gainesville, Bowie, Wichita Falls, Vernon, Decatur, Graham.

If candidates desire to be examined at any of these points they should report at 9 a. m. on Saturday, October 27, 1923, to the Secretary, Local Board of Civil Service Examiners, Postoffice Building, in the city desired. For further information address me at Washington, D. C.

GUINN WILLIAMS, M. C.

M. W. A. AND ROYAL NEIGH- BORS TO MEET TONIGHT

Mrs. Edna Prince of Fort Worth is here this week in the interest of the Royal Neighbors of America. She is a district deputy and is assisting in re-organizing the lodge at Vernon.

Tonight a social meeting of members of both lodges, Royal Neighbors and Modern Woodmen will be held at the W. O. W. hall. All members of both orders are invited to attend.

WORK PROGRESSING ON PRESBYTERIAN CHURCH

The brick work on the new Federated Presbyterian Church building on West Wilbarger street is practically finished, the roof is being put on and the interior finishing will be started at an early date. The building is to be ready for occupancy by December 1.

Injunction Case Up Tomorrow.

The appeal from the decision of Judge James V. Leake in district court here recently denying the Vernon Electric and Ice Company an injunction against the City alleging improper handling of interest and sinking funds will come up for hearing in the Court of Civil Appeals at Amarillo tomorrow. Attorneys for the company and Mayor Harry Mason, City Attorney J. S. Cook and L. P. Bonner of counsel for the City leave for Amarillo this afternoon.

Automobile Licenses.

Seven automobiles and one truck were registered last week in Vernon by owners. They are: J. A. Reeves, Overland; Miss Eula Goodfellow, Ford Coupe; H. W. Streit, Chevrolet; Ivy Ayres, Chevrolet; O. M. Pigg, Ford; M. W. Davenport, Overland; L. G. Lehmann, Studebaker and Antona Martinez, Ford Truck.

FOOTBALL GAME AT QUANAH ENDED IN A SCORELESS TIE

**Local Eleven Is Crippled on
Account of Injuries to Star
Players—Quanah Put Up
Fine Exhibition of Play
During Game**

It was a heart-breaking gridiron battle between the Vernon and Quanah high school teams last Friday afternoon from the local standpoint. For the first time this season Coach Galbraith's warriors were kept away from the goal. The game ended in a scoreless tie.

Each team was in scoring position several times, but each time the defense was too strong and the referee's final whistle found both teams with a goose egg score to show for their afternoon's hard work.

The Vernon line-up was crippled because of injuries received in the Burkhardt game a week earlier. Walker and Smith, two of Galbraith's star players, were taken out of the game because of injuries. It is believed also that Vernon's men went into the game over-confident. Quanah did some fine line work and completed several forward passes, but the locals held them safe and refused to allow a score.

The same teams meet here October 26, unless one of them is defeated between now and that date. Quanah will meet the strong Childress eleven this week and Vernon plays Seymour here Friday afternoon. The Baylor County lads have a fine working machine and the locals will be called on to show their best stuff in order to win.

A defeat at the hands of Seymour will eliminate the locals from the championship struggle, and a Childress victory over Quanah will do the same thing for the Hardeman County warriors. To stay in the race Vernon must defeat Seymour Friday and rely upon Childress to defeat Quanah, or win over Quanah here on the 26th.

Following is the line-up used in Friday's game at Quanah:

Left end, Ferguson, Abbott; left tackle, Smith, Norwood; left guard, B. Reed; center, Robinson, Falls; right guard C. Reed; right tackle, Thompson; right end, Justin; quarter back, Holter; right half back, Withers, Ballaw; left half back, Bourland, Williams; full back, Walker, Key.

About 250 people from Vernon went to Quanah to see the game.

FLOUR FURNISHED BY KELL MILL FOR M. E. LUNCHEON

Over 100 guests were served with a luncheon Thursday in the dining room of the Methodist church. Delegates who were attending the Missionary District conference were the honor guests. Mrs. Geo. W. Backus was chairman of the committee that served the luncheon. The hot rolls were baked by the City Bakery and the Kell Milling Company furnished the Belle of Vernon flour used in making the rolls.

JOE MAYO DIED FRIDAY —BURIED IN EAST VIEW

Joe Mayo, 42, died Friday morning at an early hour after a brief illness. Funeral services were conducted that afternoon from his home in Northwest Vernon by Rev. L. J. Mims, pastor of the Baptist church. Interment took place in East View cemetery.

Rapid Progress in Music Being Made by Paradise Band

The Paradise band, composed of twelve young men, who live southwest of Vernon, is making rapid progress and will soon be able to win recognition as a first class musical organization. The band is being instructed by Robert S. Reed, director of the Vernon band.

A public concert was given in Vernon recently by the Paradise band and excited much favorable comment. It also gave a concert on the closing night of the program of the community week celebration staged recently under the auspices of the Federation of Women's Clubs.

It is planned to give a concert in Vernon every second Saturday night, Director Reed announces.

W. C. T. U. Meets Thursday.

A regular meeting of the Vernon chapter of the Women's Christian Temperance Union will be held in the auditorium of the public library Thursday afternoon at 3 o'clock. Every member is urged to be present and ready to pay dues. This is the regular time for the payment of dues, officials announce.

FIVE FIRSTS, ONE SECOND AND THIRD PRIZES RECEIVED

**County Agent P. D. Chaney
Will Go to Dallas With Ex-
hibit From Wilbarger Coun-
ty for State Fair This
Week**

Besides winning third prize of the county exhibit as a whole at the Texas-Oklahoma Fair at Wichita Falls last week, entries from this county won five first prizes, one second and one third prize.

P. D. Chaney, county farm agent, returned from Wichita Falls Friday night and leaves in a day or two for Dallas to make arrangements for the Wilbarger County exhibit at the State Fair.

The prizes won on individual entries at Wichita Falls included first on peanuts, first on baled alfalfa hay, first on red milo maize, first and second on pears, first on apples, third on white kaffir.

Jackson County, Okla., was given first place on county exhibit, Tillman County, Okla., second, and Baylor County Texas, fourth. Only four county exhibits were made. Mr. Chaney says he believes this fact is largely due to the score card employed at Wichita Falls in judging the exhibits.

The Texas-Oklahoma Fair had its second exposition this year, with only four county exhibits, while the Tri-State Fair at Amarillo, held for the first time this year, had twenty-one county exhibits. Mr. Chaney believes the system of scoring is largely responsible for this difference. Many of the Plains and West Texas counties, exhibiting at Amarillo, would have shown at Wichita Falls just as Wilbarger did. If a different scoring system had been employed, Mr. Chaney believes.

Mr. Chaney feels much encouraged over the success of the exhibits at Amarillo and Wichita Falls. He showed under adverse conditions at both places. Weather conditions made a good display at Amarillo very difficult and the fact that the Texas-Oklahoma Fair opened on Monday after the close of the Tri-State Fair on Saturday and the difference in the score cards made it necessary to assemble an entirely new exhibit for Wichita Falls.

Conrad Oates, Vernon Youth, Dies at Lamesa, at His Parents' Home

Friends of Conrad Oates were shocked and saddened Saturday when the message came telling of his death which occurred that morning in Lamesa.

Mr. Oates left here Wednesday morning by automobile to visit his parents, Mr. and Mrs. John T. Oates who recently moved from here to their new home on the south plains. He complained at the time of feeling badly and said he felt as though he ought to go home. Soon after reaching Lamesa he took worse rapidly and expired Saturday morning at 10 o'clock from diabetes. He had not been in good health for some time but was not thought to be in grave danger.

He had been working at the White House market up until the time of his visit home.

Mr. and Mrs. Oates and their family have been residents of Wilbarger County for many years and decided only a short time ago to move to Lamesa. The young man is survived by his parents, and sister, Miss Lonella Oates of Lamesa, a brother, Pinkney of Vernon, and a sister, Mrs. Ravilins of Corsicana.

Funeral services were conducted at Lamesa Sunday afternoon by Rev. W. T. Rouse of Snyder, a former pastor of the Baptist church here. Interment took place in the Lamesa cemetery.

Leave for California.

Mr. and Mrs. L. E. Piper and daughter, Dorothy left Sunday morning for Los Angeles where they will make their home. They will drive through to California and will go the southern route. Mr. Piper resigned his position the first of October with the Waggoner National Bank here and will assume the management of a branch banking house for one of the largest banking institutions in California.

Miss Lorene Ashby Is Married.

A. M. Myrick and Miss Lorene Ashby were married Saturday morning at 10:25 o'clock by T. J. Griffiths, Justice of the Peace, at his office in the court house. The bride is the daughter of Mr. and Mrs. C. Ashby of Vernon and Mr. Myrick is the son of Mr. and Mrs. A. Myrick of Crowell. They will make their home in Lubbock.

Lake Kemp Presents Queer Legal Tangle on Resort Privilege

Legal conditions at Lake Kemp, south of Vernon on the Waggoner ranch are such that additional legislation may be necessary before the property can be utilized for fishing and hunting.

The present legal status of the property is that W. T. Waggoner has entire control of the land surrounding the lake up to the water's edge, but has no privileges on the lake itself. On the other hand, the lake is under the control of the irrigation district, and while Mr. Waggoner might sell or lease lands adjoining the lake to people for the erection of cottages or put in an amusement resort, he could not give the lessees or purchasers of land or patrons of a resort the right to make use of the lake for fishing or bathing.

It has been rumored that Mr. Waggoner planned to put in a pleasure resort on the lake or lease lands to others for that purpose, but investigation of the legal aspects of a situation has shown this to be impossible until some agreement is reached through the legislation or otherwise between Mr. Waggoner who owns the land and the officials of the irrigation district.

As the matter now stands Mr. Waggoner controls the land up to the edge of the water, and the irrigation district controls the water up to the banks. Under these conditions it is impossible for either to claim privileges on the other.

PEASANT VALLEY NEWS.

Mr. and Mrs. B. L. Haynes and daughters, Misses Sammie and Doris May, were shopping in Vernon last Thursday afternoon.

Mrs. Rogers received a severe cut on the head the first of the week.

Miss Vivian Bell spent Thursday night with Miss Jeanette Bratcher.

Among those who attended the funeral of Mrs. W. P. Starr, which was held at the residence at 10:30 p.m. Thursday at 1 o'clock were Mr. and Mrs. R. E. Bell, Mrs. Boyd, Mr. and Mrs. E. C. Bratcher, T. J. Watson, Mr. and Mrs. Jim White, Mr. and Mrs. Arthur Bell, Mr. and Mrs. C. M. Kester and children, Misses Lilyan Rogers, Juanita and Edna Bratcher, Mrs. W. P. Bell and children.

Farmers of this community are busy picking cotton.

Miss Ruby Lee Van Hise visited Miss Lilyan Rogers Thursday.

Miss Vivian and Velma Bell spent the week-end with home folks.

MURDER OF CABARET SINGER UNSOLVED.

Mrs. Ethel Cass and son Bobby.

Los Angeles police have thus far been unable to solve the mysterious murder of Mrs. Ethel Cass, 25 year old, a beautiful cabaret singer, whose unclothed body was found, brutally beaten, in her room in a boarding house in that city. Sitting beside the body, and crying bitterly from hunger, was her two-months-old son, Bobby. Mrs. Cass had three other children, who were being cared for by relatives in New York, where she formerly lived. Though her husband had divorced her, he went to Los Angeles to aid the police in solving the mystery.

CAUSES AND PREVENTION OF FIRE WASTE GIVEN BY TEXAS INSPECTION BUREAU CIRCULAR

The following is taken from a circular issued by the Texas Inspection Bureau of fire underwriters as pertinent for consideration during fire prevention week:

Compiled statistics show conclusively that at least 80 per cent of all the fires that occur are preventable. The outstanding causes of fire are defective chimneys and flues, gas, natural and artificial—hot ashes and coals, matches and smoking, petroleum and its products, rubbish and litter, sparks from open fires, electric wires, and boilers, electric stoves, and other causes.

Every great conflagration that has taken place in the United States in the last twenty years, with two exceptions, originated from a small preventable cause.

Carelessness is responsible for most fires—careless about constructing and equipping buildings, carelessness in providing fire protection and enforcing fire prevention ordinances, and carelessness about common fire hazards.

Rubbish heaps are fire breeders. A clean city will have few fires.

Attics and cellars should be kept free from combustible accumulations.

Don't deposit ashes carelessly in wooden boxes, against wooden fences or other combustible surfaces.

Burned trash or autumn leaves too near buildings is dangerous.

The careless use of pipes, cigars and cigarettes causes countless fires. A lighted cigarette thrown through an open sidewalk grating is supposed to have caused the Baltimore conflagration.

Smoking in factories, mills, warehouses, and shops, stables, garages, etc., should be absolutely prohibited.

Wooden boxes should never be used as cuspidors.

The match is designed to start fires, and it does. A single match may cause the burning of a city. Most fires are of the same size when they start. A thoughtful husband or father will have no matches in his home except those which light only on the box.

An electric wiring should be done by competent electricians only, and inspected before the current is turned on. Electric light bulbs should never be covered by cloth or paper shades or decorations.

Curtains and draperies may be blown against gas jets by draughts from open windows. Movable gas

brackets, if used, should be guarded by stops, and the flame enclosed in wire cages.

Kerosene lamps should be kept scrupulously clean.

Candles or matches should never be taken into closets or other places where they may ignite inflammable materials.

Public authorities should certify to the proper chimney construction of every house. Builders can easily cover up dishonest intent by placing in chimney building.

Fires should never be relighted until the furnace is overhauled.

Pipes rust during the summer and may deliver sparks to the cellar. Smoke pipes should be taken down in the spring; the passage of moist air through them rusts them rapidly.

A stove is a receptacle for fire, and should not be neglected; adjacent woodwork and the floor under it should be protected. Clothes hung too close to dry are easily ignited.

An open fire-place should always be protected by a wire spark-screen. Many children are burned to death by their clothing igniting at open fires.

Gas and oil stoves should be kept scrupulously clean and free from leaks.

Electric flat irons should never be left with the current on.

The commercial storage, handling, and use of explosives, inflammables and combustibles should be regulated by public authority in the interest of the common safety.

Gasoline, naphtha and similar volatiles for domestic cleaning should be used always in the open air and by daylight only, and never near any open flame.

Oily rags or waste, used in furniture polishing or any sort of cleaning, should be burned at once after

using, as certain oils ignite spontaneously.

Fire prevention is as important as fire extinguishment. Fire departments should prevent fires as well as extinguish them. All fire departments should make regular inspections, keeping cities free of rubbish and other fire-breeding dangers.

MISS MALLOW ENTERTAINS BEN HEUR CLUB FRIDAY

A hint of Halloween appeared Friday afternoon at the home of Miss Johnnie Mallow of South Main street when she was hostess to the Ben Heur club. Cards suggestive of the night when fairies hold high carnival and witches ride broom sticks marked the places of the guests.

A delicious plate lunch was served and the nut baskets were miniature pumpkins which were also given as favors.

Bridge was the diversion of the afternoon. Mrs. W. A. Wilhelm won high score and Mrs. Moss Hampton was winner of the consolation prize.

The following were present: Mesdames W. A. Wilhelm, O. O. McCurdy, Moss Hampton, M. C. Culbertson, R. E. Martin, E. M. Hancey, W. J. Stuckler, H. A. Conner, Y. H. Babashin, W. R. Moore, Chancy Puckett and Fred Thompson.

TO ENTERTAIN PAST PRESIDENTS FRIDAY AFTERNOON

The members of the Home Science club will include as their guests, Friday afternoon, all the past presidents of the club at the first meeting of the year held with Mrs. Luther Webb of West Paradise street.

A short history of the club under each administration will be given by the past presidents. Mrs. J. N. Johnson will deliver her annual president address. Mrs. A. H. Marchison will sing and Mrs. A. S. Ross, parliamentarian, will talk on the Constitution and By-Laws of the club. The assistant hostesses for that day will be the officers of the club.

AMERICAN ★ LEGION

Indianapolis, Oct. 5.—The sun sets upon the American Legion. Veterans of the world war scattered to the four corners of the world and have joined other veterans in forming posts of the legion. The annual report of the legion's national treasurer shows the legion has chartered posts in seventeen foreign countries and five territorial possessions of the United States. In addition to the eight states and the District of Columbia, with almost five hundred members, the Mexico department of the legion leads all other foreign divisions. Posts have been established in the following countries: Argentina, Brazil, British Isles, Canada, China, Cuba, France, Germany, Guatemala, India, Japan, Korea, Mexico, New Zealand, Poland, Turkey as well as in the territorial possessions of Alaska, China, Hawaii, Philippine Islands and to Rio.

New York is the largest home department of the legion. Its 57,417 members will give that state a total of sixty-three delegates at the national convention in San Francisco, over 15-19. Illinois, Pennsylvania, Iowa and Ohio follow in relative order.

AMERICAN LEGION OPPOSES DEBS SPEECH IN DENVER

Indianapolis, Oct. 5.—Garland W. Debs, national Americanism director of the American Legion has issued the action of the Colorado Americanism Commission of the legion in opposing a proposed lecture by Eugene V. Debs scheduled for civic auditorium in Denver, Oct. 3.

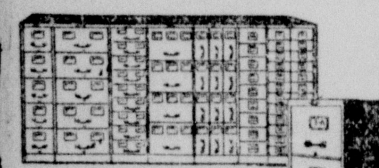

Debs has suggested that the over-legionaries bring every influence to bear upon public officials to stop the appearance of the war traitor. It is the lecture is given in spite of their objections, well has urged that an all-American mass meeting be held to counteract the utterances of Debs. The legion vigorously opposed the case from prison of Debs and for war men who opposed the opinion of the draft and other war matters. Its national conventions have declared against the release of so-called political prisoners, who now serving prison sentences for offenses committed during the war.

(These) Are The Hours That Count

MOST of your time is mortgaged to work, meals and sleep. But the hours after supper are yours, and your whole future depends on how you spend them. You can fritter them away on profitless pleasure, or you can make those hours bring you position, money, power, real success in life.

Thousands of splendid, good-paying positions are waiting in every field of work for men trained to fill them. There's a big job waiting for you—in your present work or any line you choose. Get ready for it! You can do it without losing a minute from work, or a wink of sleep, without hurrying a single meal, and with plenty of time left for recreation. You can do it in one hour after supper each night, right at home, through the International Correspondence Schools.

Yes—You Can Win Success in an Hour a Day

Hundreds of thousands have proved it. The designer of the Packard "Twin-Six," and hundreds of other Engineers, climbed to success through I. C. S. help. The builder of the great Equitable Building and hundreds of Architects and Contractors won their way to the top through I. C. S. spare-time study. Many of this country's foremost Advertising and Sales Managers prepared for their present positions in spare hours under I. C. S. instruction.

For 31 years, in offices, stores, shops, factories, mines, railroads—in every line of technical and commercial work—men and women have been winning promotion and increased salaries through the I. C. S.

No matter where you live, the I. C. S. will come to you. No matter what your handicaps or how small your means, we have a plan to meet your circumstances. No matter how limited your previous education, the simply-written, wonderfully-illustrated I. C. S. textbooks make it easy to learn.

Make Your Start Now!

When everything has been made easy for you—when one hour a day spent with the I. C. S., in the quiet of your own home, will bring you a bigger income, more comforts, more pleasures, all that success means—can you afford to let another single priceless hour of spare time go to waste?

This is all we ask: Without cost, without obligating yourself in any way, put it up to us to prove how we can help you. Just mark and mail this coupon.

Foard Valuations Show Slight Loss From 1922 Totals

Foard County's tax rolls for 1923, just completed, show a total valuation of \$1,987,415, a decrease of \$161,001 under last year's roll, according to the Foard County News.

This year's valuations are divided as follows: Resident tax payers, \$3,783,320; non-residents, \$835,820; unimproved property, \$282,875; railroads, telegraph and telephone properties, \$31,510; banks, \$23,450; property which has not heretofore been assessed, or what is termed back years' rolls, \$21,440.

The total amount of taxes to be paid on property in Foard County this year will be \$132,792.58 for state, county, road, school and polls; of this amount \$40,208.11 will go to the state; \$47,792.57 will go into the funds used for the general needs of the county; \$7,461.73 will go into the road funds and \$37,329.87 will go to school districts in the county.

ROBS CALOMEL OF NAUSEA AND DANGER

Medical Virtues Retained and Improved — Dangerous and Sickening Qualities Removed — Perfected Tablet Called — "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In diarrhoea, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. Adv. 11

What Constitutes A Benefactor?

An old adage says:
"He is a benefactor who makes two blades of grass grow where only one grew before."

This gives a graphic and understandable definition of a "benefactor." Coming on down to modern times and amplifying this definition we know that the man who finds the means of making one man do the work of two or more is a benefactor. The man who designs an engine that will do twice as much work on the same amount of fuel as other engines is a benefactor.

But what about the man who employs two men to do the work that one can do just as well? What about the man who uses two engines to do the work of one? Certainly he falls short of the definition of a benefactor in the old adage quoted above.

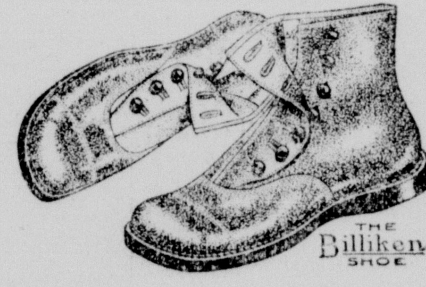

Vernon has two light plants doing the work of one, employing two groups of men in the work of one group, running two engines where one is amply able to produce the electrical energy required to serve the community and building a system of poles, wires, transformers and other necessary parts of a complete electric system, where only one such system is needed.

Is such duplication sound business policy? Do you employ twice as many men as you need in your business? Do you build twice as big a house as you need?

Figure it out for yourself and measure it by the standard of the definition of what constitutes a benefactor.

WILDCAT.

Wildcat was visited by a very heavy rain Wednesday evening and the hail but did not do any damage in our community.

The home demonstration club will meet next Monday at Mrs. Lem Richards. All members are urged to come and bring some one.

I. G. Luttrell and family went to a birthday dinner given in honor of their father, J. M. Luttrell, who was his seventy-fifth birthday. Those present were W. C. Luttrell and family, I. G. Luttrell and family, V. T. L. Luttrell and family, Everett Garby and family and T. H. Henderson and wife with grandpa and Grandma Luttrell.

Buford and Benton Luttrell went to Harold Thursday evening to see Mr. and Mrs. Luttrell home. Mrs. G. W. Hildebrand and daughter, Mrs. Jasper Burk visited Rev. and Mrs. Frank Johnson last Friday evening.

Benton Luttrell went to Rayland Tuesday to help W. P. Thomas to sing a bunch of cattle to Vernon ship.

Mr. and Mrs. Pony Key of Odell visited Mr. and Mrs. Henry Richie last Thursday evening. A baby boy was born to Mr. and Mrs. Everett Scott Friday, September 28.

Everybody is very busy pulling cotton and picking cotton in this community now.

Harry Glover of Odell spent Sunday night with his daughter, Mrs. Douglas Fox.

Mrs. G. W. Hildebrand is sick at this writing.

Mrs. I. G. Luttrell spent Monday with Miss Sallie Allingham in Vernon.

The following from Wildcat were in Vernon Saturday: Mr. and Mrs. Edwin Mote, Mr. and Mrs. J. S. Moore, Mr. and Mrs. J. L. Burk, Jr. and Mrs. Jasper Burk, Mr. and Mrs. Jack Russell, Mr. and Mrs. Lem Richards and Mrs. Glover; Misses Joe Scott, Eunice Jeffreys, Helen Richie, Lydia Russell, Mrs. J. D. Cox and Homer Scott, Ben Patton, Aleah and Joseph Hildebrand, Buford Luttrell, Mr. and Mrs. C. Bill Jeffreys, Fred Miller, I. G. Luttrell and Mr. Raper.

Mr. and Mrs. J. V. Owens of Vernon visited Mrs. G. W. Hildebrand Tuesday evening.

Mr. and Mrs. Henry Richie visited Mr. Hayden Richie and family in the Lockett community Tuesday.

Mrs. Pony Key of Odell spent Monday with Mrs. Henry Richie.

DOANS.

The rain and hail of Wednesday ruined several crops in this community. Some cotton and late feed is a total loss and several outhouses were completely demolished. Among those who suffered a terrible loss were: Mr. Ramsey, Mr. Swanson, Mr. Frank Wilson, Mr. W. L. Cupps, Mr. Roundtree, Mr. Hill, Mr. Richardson, Mr. Morris, Elmer Owen, Ed Armstrong, Bert and Levi Cupps and those that were not damaged so bad were: Mr. O'Neal, Joe Armstrong, J. C. Wilson, R. A. Satmon, H. G. Akin, J. S. Rowland, Bob Owen, Harold and Claude Frisco, Bill Hamm and several others were only slightly hailed out. The storm only lasted about five minutes, but stones fell as large as a teacup and many of them. Several wind shields in cars and the tops were beaten to pieces. Several houses did not have a window glass left and shingles were beaten off. The wind which accompanied the hail was a terrible gale. Some cotton was beat into the ground and the middles of the rows are lying full of green bolls. There are fields that were fine cotton, that are perfectly bare. The storm went northeasterly. Mr. Arnold and Mr. Bruce were also in the stricken path.

C. F. Doan spent Friday and Saturday in Vernon.

Mr. Holland and family attended Sunday School here Sunday afternoon.

Mrs. Roy McClure was in Oklahoma Wednesday.

Frank Wilson went to Vernon Thursday after covering for his

Mrs. W. B. Stephens is very sick just now.

Homer Brown returned home Monday after visiting his parents at Denton for several weeks.

Irvy Drolitz, J. L. Combs, and Chester Thompson went on a hunting trip last week down about Beaver Creek.

VERNON THEATER

How would you like to have one of the most famous artists in America suggesting ideas for your costumes, one of the cleverest designers

in New York City doing the actual work of designing and one of the most exclusive Fifth Avenue houses making them? Such was the good fortune of Marion Davies, star in the great Cosmopolitan Paramount production "When Knighthood Was in Flower." Acting on ideas suggested by Joseph Urban, noted artist, a skilled designer created costumes for Miss Davies which surpass anything heretofore seen on the screen. Miss Davies, as Princess Mary Tudor, wears fifteen different gowns and each gown has its own set of specially designed jewelry.

ELLIOTT EXCURSION FRIDAY NIGHT IS MADE BY MANY

Sale of Pies and Boxes Nets About \$100 for Piano Fund of Elliott Women's Community Club—Mason Is Auctioneer

A large number of Vernon business men, accompanied by the Vernon band, made the excursion to Elliott last Friday night to attend the box and pie supper held there under the auspices of the women's community club.

A. P. Mason, well known farmer of the Elliott section and a former tax assessor of Wilbarger county, was in charge of the program held in the Elliott Baptist church. He welcomed the visitors in an eloquent address at the opening of the meeting, declaring that the Elliott people were interested in every enterprise that has for its object the upbuilding of Wilbarger County.

Secretary R. M. Fielder of the Vernon Chamber of Commerce, L. H. Nichols and W. H. Higgins responded on behalf of the Vernon party.

The band gave a musical program of several numbers and Mrs. Guy Puckett played a piano solo.

Acting as auctioneer, Mr. Mason began selling the pies, cakes and boxes for the benefit of a fund to pay for a piano recently purchased. Mr. Mason kept interest at a high pitch by telling stories and good natured bantering of different people in the audience. R. M. Fielder and M. C. Culbertson later in the evening took up the work of auctioneer after Mr. Mason had become somewhat wearied with his work.

Pies were sold at prices varying from \$1 up to \$2.50, and \$3, while some of the most attractive boxes sold as high as \$9.50 and \$9.75. The auction sale of edibles brought something like \$100 into the piano fund. Everybody had a fine time and as the party broke up just before midnight the Elliott people expressed their pleasure at the visit of the Vernon people and invited them to repeat the visit at some future date.

Robinson Motor Co. Secures Studebaker Agency for Vernon

The Robinson Motor Company will hereafter be local representatives of the Studebaker line of automobiles, a deal to that effect having been closed this week. Until recently this concern handled the Buick line.

"The new Studebaker is one of the best automobiles on the market today," J. A. Robinson, manager of the Robinson Motor Company, declared today, "and that is the reason why we feel fortunate in securing the Vernon agency for the Studebaker line. The new Studebaker models have a number of features that make them in a class by themselves and we are confident that we can build up a good business on the Studebaker here."

A light six touring, also a special six have already been received and is now on display in the sales rooms on the south side of the square. Mr. Robinson also reports the delivery to Mr. L. G. Lehmann of a light six touring.

Fisher-Carroll

J. F. Fisher and Miss Vernie Carroll were married at 11:30 o'clock Monday morning, Oct. 8 by T. J. Griffiths, Justice of the Peace, in his office at the Court House in Vernon. They are both residents of Bradley Corner and will continue to make their home in that town.

Work on Mason Building Starts.

The work of remodeling the Harry Mason building on the east side of the square has been started by the contractors, Allen & Davis. Scaffolding is being erected in front of the building preparatory to tearing out the old brick wall to give way to a modern front.

Record Building Nears Completion.

The new home of The Vernon Record at the corner of Texas and Cumberland streets is nearing completion. The interior finishing is now under way and the building will be ready for occupancy by November 1.

Yelvington Returns To Vernon.

Henry B. Yelvington will return to Vernon this week from Houston to resume his work as reporter for The Record after an absence of several weeks.

NEW HEADS OF BANKERS' ASSOCIATION.

William E. Knox and Walter W. Head, Jr.

Walter William Head, President of the Omaha National Bank, of Omaha, Neb., formerly First Vice-President of the American Bankers' Association, has been unanimously elected President of the Association, at its forty-ninth annual convention in Atlantic City. He succeeds J. H. Puelicher, of Milwaukee. William E. Knox, President of the Bowers Savings Bank, of New York City, was elected First Vice-President and will automatically become President next year.

ANNOUNCE PRIZES FOR ELKS PARADE

**AWARD OF \$20 WILL GO TO
BEST DECORATED AUTO.
MOBILE OCTOBER 17**

Prizes are to be awarded for the best decorated automobiles in the parade to be staged on the afternoon of Wednesday, Oct. 17, at the opening of the Elks jubilee and automobile show, to be staged under the auspices of the local Elks lodge, four days.

The first place prize in the decorated automobile contest will carry a cash prize of \$20. Fifteen dollars goes with second place and third place will win \$10.

Prizes will also be given to the four most beautiful young women who ride in the parade. These will be announced later. Those who wish to enter the decorated automobile contest should register with J. W. Fagg, who has charge of the jubilee. Mr. Fagg's headquarters are the Collins & Ingram store.

Thursday night a masked ball will be staged in honor of the princess of Quannah. This is expected to be one of the most enjoyable features of the four-day celebration.

The jubilee and automobile show will be given in the Creager building on the southwest corner of the square.

Commissioners to Consider Bids on Jail Improvement

The County Commissioners are in session today to consider bids on a third story for the county jail, including cells and other equipment necessary for its completion.

The additional room in the jail is made necessary because of lack of facilities for taking care of the different kinds of prisoners. With the present capacity it is impossible for whites and blacks of both sexes and insane and juvenile prisoners to be kept in separate cells.

Placing blacks and whites in the same cells is not good policy, in the opinion of county officials, and then when the county has insane prisoners and juvenile offenders the question of properly housing them is still further complicated.

It is not known just what the improvement will cost or whether it will be undertaken at this time or not, but conditions at the jail are such that something must be done at an early date, according to county officials.

Lisman Sings Again Over Radio at Dallas Vernon "Listens In"

Edwin Lisman, basso-baritone, and former Vernon man, now teacher of voice at Bush Temple, Dallas, sang recently over the Dallas News broadcasting station to the delight of his Vernon friends and a host of others all over America. Telegrams and letters of congratulations came pouring in soon after the program. Nearly every state in the union and Mexico and Canada sent congratulations. His splendid program included "Give A Man A Horse He Can Ride" and some negro spirituals.

West Texas friends and fans in the east particularly enjoyed the song about the horse.

VERNON STUDENTS RECORDS AT STATE MAKE HIGH GRADE

University of Texas Statistician Announces Interesting Figures on Work of Graduates of Affiliated Schools Over the State

Freshmen from the Vernon high entered in the University of Texas last year made better grades than the average for graduates of 223 affiliated schools, according to an announcement made by the University statistician.

On a basis of five courses the average grades of freshmen was 4.70, figuring D as the passing grade. Vernon students averaged 6.29. Students from only ten of the 223 schools made a higher average than Vernon.

They were: Burkhart 6.46, Denton 6.88, Elftonia 6.69, La Grange 6.59, McAllen 6.87, Ozona 6.49, Sabinal 7.38, Silsbee 7.33, Sligo 6.28, Cotulla 6.33.

Averages made by students from other representative schools were: Abilene 4.40, Amarillo 5.48, Dallas 5.97, Electra 3.80, Quannah 4.21, Wichita Falls 3.92, Iowa Park 4.21, Childress 3.56.

It is also revealed from the announcement from Austin that Vernon freshmen students in the University made better average grades in their first year's work than freshmen from any of the affiliated junior colleges, and outranged graduates of some of the best high schools in Texas, including all of the larger cities.

This record speaks highly for the character of work done in the local schools. The averages are figured in such a way as to make it practically impossible for the result to be due to exceptional students. After allowance is made for such a contingency as this it will be seen that Vernon graduates stand among the leaders.

The standard of work done in the local schools has shown steady improvement since 1906 when the State Department of Education began keeping records of units of credit for high schools in Texas. The following figures will show the progress made by the Vernon high school in this respect:

1906	8 Credits
1912	13 1-2 Credits
1917	14 1-2 Credits
1918	15 1-2 Credits
1921	22 Credits
1922	27 1-2 Credits
1923	29 1-2 Credits

FIRE DRILLS HELD AT LOCAL SCHOOLS

**UNUSUAL RECORDS ARE MADE
AT EACH OF WARD BUILD-
INGS THIS WEEK**

Fire drills are included in the observance of fire prevention week in the local schools, Superintendent E. L. Dehoney announces. On a fire drill at the Central building yesterday the students were gotten outside the building without the slightest confusion or crowding in fifty seconds. The Shive building was emptied of its human cargo in one minute and the Parker school students were clear of the building in 22 seconds on a recent test.

Fire prevention programs will be given at the ward schools Thursday afternoon and at the high school Friday morning. In addition to staging fire drills and having papers read by students on various phases of fire prevention, representatives of the fire department will speak at each of the school buildings in the city.

M. R. Sewell will speak at the Shive school, J. D. Key at the Parker school, E. M. Rogers at the Central building and T. L. Rouse at the high school.

Rev. Jeff D. Ray Preached Sunday at First Baptist Church

Rev. Jeff D. Ray of Fort Worth, prominent Baptist minister, occupied the pulpit at both services at the First Baptist church Sunday. At the morning service he took for his theme, "Deaconship." At the close of the sermon, the following deacons were ordained: S. C. Hogsett, J. V. Roberts, G. G. Kemp, R. L. Freeman, Faye Eggleston, W. N. Martin and R. G. Hughes.

FINDS DAUGHTER AFTER 10-YEAR SEARCH.

Joseph and Dorothy Kline, wife.

After a 10 year hunt that took him into every State in the Union on seven trips across the continent, Joseph Kline has just been reunited with his 15-year-old daughter, Dorothy, who had lived most of the time within a few blocks of her father's home in Cleveland, Ohio. When Dorothy was one year old her mother died, and her father placed her in a home, while he traveled in the West. Returning several years later, he found she had been adopted, but through an error all trace of the foster parents was lost. He found two other children he had left with relatives, but though he spent a fortune he could find no trace of Dorothy. Adopted by a Cleveland family at the age of four, Dorothy did not know her foster parents were not her own. Recently the little girl wandered into a part of Cleveland she did not remember having been in before. She saw a house—the orphanage—she remembered and she entered. When she told who she was her father was notified, and the foster parents have agreed to give her up.

WEST POINT EXAM TO BE HELD HERE

**CONGRESS MAN WILLIAMS TO
MAKE APPOINTMENT FROM
HIGHEST GRADES.**

There will be held a civil service examination at any of the following places on October 27, 1923, to select two young men for appointment to West Point, also two alternates. Young men between the ages of 17 and 22 are eligible. The two receiving the highest grades will be designated as principals and the two receiving the next highest will be designated as alternates. The places designated for examination are as follows: Seymour, Henrietta, Denton, Gainesville, Bowie, Wichita Falls, Vernon, Decatur, Graham.

If candidates desire to be examined at any of these points they should report at 9 a. m., on Saturday, October 27, 1923, to the Secretary, Local Board of Civil Service Examiners, Postoffice Building, in the city desired. For further information address me at Washington, D. C.

M. W. A. AND ROYAL NEIGH- BORS TO MEET TONIGHT

Mrs. Edna Prince of Fort Worth is here this week in the interest of the Royal Neighbors of America. She is a district deputy and is assisting in re-organizing the lodge at Vernon.

Tonight a social meeting of members of both lodges, Royal Neighbors and Modern Woodmen will be held at the W. O. W. hall. All members of both orders are invited to attend.

WORK PROGRESSING ON PRESBYTERIAN CHURCH

The brick work on the new Federal Presbyterian Church building on West Wilbarger street is practically finished, the roof is being put on and the interior finishing will be started at an early date. The building is to be ready for occupancy by December 1.

Injunction Case Up Tomorrow.

The appeal from the decision of Judge James V. Leuk in district court here recently denying the Vernon Electric and Ice Company an injunction against the City alleging improper handling of interest and sinking funds will come up for hearing in the Court of Civil Appeals at Amarillo tomorrow. Attorneys for the company and Mayor Harry Mason, City Attorney J. S. Cook and L. P. Bonner of counsel for the City leave for Amarillo this afternoon.

LOCAL GIRL HEADS CLASS AT C. I. A.

**MISS HAZEL VAUGHN ELECTED
PRESIDENT OF FRESHMAN
AT DENTON SCHOOL**

Miss Hazel Vaughn, daughter of Sid Vaughn of this city, has been elected president of the freshman class at the College of Industrial Arts at Denton.

The class has a membership of about 800 young women from all parts of Texas, and the honor is the highest that can come to a freshman student. Two other young ladies were placed in nomination.

Miss Vaughn was president of the senior class of the Vernon high school this year and was one of the most popular students in the local school. She has a winning personality and is an accomplished musician and singer. In writing home folks, she says she owes her honor to other Vernon young ladies who urged her election.

Melvin Deason Dead After Brief Illness Buried Saturday

Edgar Melvin Deason, 13, little son of Mr. and Mrs. W. E. Deason died Friday afternoon at his home on Deaf Smith street after a brief illness of only two days.

Funeral services were conducted Saturday afternoon at 3 o'clock from the family residence on Deaf Smith street.

Dr. L. J. Minns, pastor of the First Baptist church conducted the funeral services and the boys of his Sunday School class, of the Baptist church and other close friends acted as pall bearers. The little had attended Sunday school regularly and was said by his teacher to be one of the brightest boys in the class. He would have been promoted Sunday. He will be sorely missed also by his class mates at school where he was a great favorite. He is survived by his parents, Mr. and Mrs. W. E. Deason, a brother, Barney, and two sisters, Gladys and Corrine. Interment took place in East View cemetery.

The active pall bearers were: Bill McCaleb, Everett Crawford, T. J. Walker, Herman Shultz, Carol Sutherland and Louis Lyon.

Honorary pall bearers were: Barbara Cook, Eldon Jackson, Charles Blair, Edwin Swin, Ewing Caldwell, Ermon Ivy, Clois Keyes, Harry Jeffus, Everett Balliew, Eugene Newell.

WALLS OF NEW LUTHERAN CHURCH UNDER WAY

Work on the new Lutheran church on East Wilbarger street is progressing rapidly. The walls will be up to roof height in a short time and the finishing of the building will be rushed. Contractor R. I. Jones says the building will be completed within the next few weeks.

FOOTBALL GAME AT QUANAH ENDED IN A SCORELESS TIE

**Local Eleven Is Crippled on
Account of Injuries to Star
Players—Quanah Put Up
Fine Exhibition of Play
During Game**

It was a heart-breaking gridiron battle between the Vernon and Quanah high school teams last Friday afternoon from the local standpoint. For the first time this season Coach Galbraith's warriors were kept away from the goal. The game ended in a scoreless tie.

Each team was in scoring position several times, but each time the defense was too strong and the referee's final whistle found both teams with a goose egg score to show for their afternoon's hard work.

The Vernon line-up was crippled because of injuries received in the Burkhart game a week earlier. Walker and Smith, two of Galbraith's star players, were taken out of the game because of injuries. It is believed also that Vernon's new line went into the game overconfident.

Quanah did some fine line work and completed several forward passes, but the locals held them safe and refused to allow a score.

The same teams meet here October 26, unless one of them is defeated between now and that date. Quanah will meet the strong Childress eleven this week and Vernon plays Seymour here Friday afternoon. The Baylor County lads have a fine working machine and the locals will be called on to show their best stuff in order to win.

A defeat at the hands of Seymour will eliminate the locals from the championship struggle, and a Childress victory over Quanah will do the same thing for the Hardeman County warriors. To stay in the race Vernon must defeat Seymour Friday and rely upon Childress to defeat Quanah, or win over Quanah here on the 26th.

Following is the line-up used in Friday's game at Quanah:

Left end, Ferguson, Abbott; left tackle, Smith, Norwood; left guard, B. Reed; center, Robinson, Falls; right guard, C. Reed; right tackle, Thompson; right end, Justin; quarter back, Holter; right half back, Withers, Balliew; left half back, Bourland, Williams; full back, Walker, Key.

About 250 people from Vernon went to Quanah to see the game.

FLOUR FURNISHED BY KELL MILL FOR M. E. LUNCHEON

Over 100 guests were served with a luncheon Thursday in the dining room of the Methodist church. Delegates who were attending the Missionary District conference were the honor guests. Mrs. Geo. W. Backus was chairman of the committee that served the luncheon. The hot rolls were baked by the City Bakery and the Kell Milling Company furnished the Belle of Vernon flour used in making the rolls.

JOE MAYO DIED FRIDAY —BURIED IN EAST VIEW

Joe Mayo, 62, died Friday morning at an early hour after a brief illness. Funeral services were conducted that afternoon from his home in Northwest Vernon by Rev. L. J. Minns, pastor of the Baptist church. Interment took place in East View cemetery.

Rapid Progress in Music Being Made by Paradise Band

The Paradise band, composed of twelve young men, who live southwest of Vernon, is making rapid progress and will soon be able to win recognition as a first class musical organization. The band is being instructed by Robert S. Reed, director of the Vernon band.

A public concert was given in Vernon recently by the Paradise band and excited much favorable comment. It also gave a concert on the closing night's program of the community week celebration staged recently under the auspices of the Federation of Women's Clubs.

It is planned to give a concert in Vernon every second Saturday night, Director Reed announces.

W. C. T. U. Meets Thursday.

A regular meeting of the Vernon chapter of the Women's Christian Temperance Union will be held in the auditorium of the public library Thursday afternoon at 3 o'clock. Every member is urged to be present and ready to pay dues. This is the regular time for the payment of dues, officials announce.

FIVE FIRSTS, ONE SECOND AND THREE PRIZES RECEIVED

**County Agent P. D. Chaney
Will Go to Dallas With Ex-
hibit From Wilbarger County
for State Fair This
Week**

Besides winning third prize of the county exhibit as a whole at the Texas-Oklahoma Fair at Wichita Falls last week, entries from this county won five first prizes, one second and one third prize.

P. D. Chaney, county farm agent, returned from Wichita Falls Friday night and leaves in a day or two for Dallas to make arrangements for the Wilbarger County exhibit at the State Fair.

The prizes won on individual entries at Wichita Falls included first on peanuts, first on baled alfalfa hay, first on red milo maize, first and second on pears, first on apples, third on white kaffir.

Jackson County, Okla., was given first place on county exhibit, Tillman County, Okla., second, and Baylor County Texas, fourth. Only four county exhibits were made. Mr. Chaney says he believes this fact is largely due to the score card employed at Wichita Falls in judging the exhibits.

The Texas-Oklahoma Fair had its second exposition this year, with only four county exhibits, while the Tri-State Fair at Amarillo, held for the first time this year, had twenty-one county exhibits. Mr. Chaney believes the system of scoring is largely responsible for this difference. Many of the Plains and West Texas counties, exhibiting at Amarillo, would have shown at Wichita Falls just as Wilbarger did, if a different scoring system had been employed, Mr. Chaney believes.

Mr. Chaney feels much encouraged over the success of the exhibits at Amarillo and Wichita Falls. He showed under adverse conditions at both places. Weather conditions made a good display at Amarillo very difficult and the fact that the Texas-Oklahoma Fair opened on Monday after the close of the Tri-State Fair on Saturday and the difference in the score cards made it necessary to assemble an entirely new exhibit for Wichita Falls.

Conrad Oates, Vernon Youth, Dies at Lamesa, at His Parents' Home

Friends of Conrad Oates were shocked and saddened Saturday when the message came telling of his death which occurred that morning in Lamesa.

Mr. Oates left here Wednesday morning by automobile to visit his parents, Mr. and Mrs. John T. Oates who recently moved from here to their new home on the south plains. He complained at the time of feeling badly and said he felt as though he ought to go home. Soon after reaching Lamesa he took worse rapidly and expired Saturday morning at 10 o'clock from diabetes. He had not been in good health for some time but was not thought to be in grave danger.

He had been working at the White House market up until the time of his visit home.

Mr. and Mrs. Oates and their family have been residents of Wilbarger County for many years and decided only a short time ago to move to Lamesa. The young man is survived by his parents, and sister, Miss Lonella Oates of Lamesa, a brother, Pinkney of Vernon, and a sister, Mrs. Ravilins of Corsicana.

Funeral services were conducted at Lamesa Sunday afternoon by Rev. W. T. Rouse of Snyder, a former pastor of the Baptist church here. Interment took place in the Lamesa cemetery.

Leave for California.

Mr. and Mrs. L. E. Piper and daughter, Dorothy left Sunday morning for Los Angeles where they will make their home. They will drive through to California and will go the southern route. Mr. Piper resigned his position the first of October with the Waggoner National Bank here and will assume the management of a branch banking house for one of the largest banking institutions in California.

Miss Lorene Ashby Is Married.

A. M. Myrick and Miss Lorene Ashby were married Saturday morning at 10:25 o'clock by T. J. Griffiths, Justice of the Peace, at his office in the court house. The bride is the daughter of Mr. and Mrs. C. C. Ashby of Vernon and Mr. Myrick is the son of Mr. and Mrs. A. Myrick of Crowell. They will make their home in Lubbock.

CAUSES AND PREVENTION OF FIRE WASTE GIVEN BY TEXAS INSPECTION BUREAU CIRCULAR

The following is taken from a circular issued by the Texas Inspection Bureau of fire underwriters as pertinent for consideration during fire prevention week:

Compiled statistics show conclusively that at least 80 per cent of all the fires that occur are preventable. The outstanding causes of fire are defective chimneys and flues, gas, natural and artificial—hot ashes and coals, matches and smoking, petroleum and its products, rubbish and litter, sparks from open fires, electric and gas stoves, boilers, electric and gas heaters, and incinerators. Every great conflagration that has taken place in the United States in the last twenty years, with two exceptions, originated from a small preventable cause. Carelessness is responsible for most fires—careless about constructing and equipping buildings, careless in providing fire protection and enforcing fire prevention ordinances, and carelessness about common fire hazards.

Rubbish heaps are fire breeders. A clean city will have few fires. Attics and cellars should be kept free from combustible accumulations.

Don't deposit ashes carelessly in wooden boxes, against wooden fences or other combustible surfaces.

Burned trash or autumn leaves too near buildings is dangerous.

The careless use of pipes, cigars and cigarettes causes countless fires. A lighted cigarette thrown through an open sidewalk grating is supposed to have caused the Baltimore conflagration.

Smoking in factories, mills, warehouses, and shops, stables, garages, etc., should be absolutely prohibited.

Wooden boxes should never be used as cuspidors.

The match is designed to start fires, and it does. A single match may cause the burning of a city. Most fires are of the same size when they start. A thoughtful husband or father will have no matches in his home except those which light only on the box.

An electric wiring should be done by competent electricians only, and inspected before the current is turned on. Electric light bulbs should never be covered by cloth or paper shades or decorations.

Curtains and draperies may be blown against gas jets by draughts from open windows. Moveable gas

brackets, if used, should be guarded by stops, and the flame enclosed in wire cages.

Kerosene lamps should be kept scrupulously clean.

Candles or matches should never be taken into closets or other places where they may ignite inflammable materials.

Public authorities should certify to the proper chimney construction of every house. Builders can easily cover up dishonest intent by rough work in chimney building.

Fires should never be relighted until the furnace is overhauled. Pipes rust during the summer and may deliver sparks to the cellar. Smoke pipes should be taken down in the spring; the passage of moist air through them rusts them rapidly.

A stove is a receptacle for fire, and should not be neglected; adjacent woodwork and the floor under it should be protected. Clothes hung too close to dry are easily ignited.

An open fire-place should always be protected by a wire spark-screen. Many children are burned to death by their clothing igniting at open fires.

Gas and oil stoves should be kept scrupulously clean and free from leaks.

Electric flat irons should never be left with the current on.

The commercial storage, handling, and use of explosives, inflammables and combustibles should be regulated by public authority in the interest of the common safety.

Gasoline, naphtha and similar volatiles for domestic cleaning should be used always in the open air and by daylight only, and never near any open flame.

Oil rags or waste, used in furniture polishing or any sort of cleaning, should be burned at once after use.

KEEPING THE PARTY COUNCILS PURE.

The Record last week published a very interesting letter from C. P. Smith on present political conditions in Oklahoma. According to Mr. Smith the experience of the people of Oklahoma should be a solemn warning to the people of other states. Particularly does he believe the experience with Governor Walton should serve as a warning to the Democrats of Texas.

The truth of Mr. Smith's statements cannot be questioned. The experience of the Democrats of Oklahoma should be sufficient to put Texas Democrats on their guard against socialistic tendencies within the Democratic party. But the Oklahoma situation recalls a political condition in Texas in the last Senatorial campaign made of the same sort of stuff.

The intrusion of the Klan into the campaign in Texas by Earle B. Mayfield gave James E. Ferguson, impeached former Governor, his opportunity to play upon the other side of the prejudices of the people, with the result that Texas passed up the opportunity of getting the service of one of three able, and two of these—Culbertson and Ousley—were men of national standing, recognized as statesmen and leaders of sober thought. Mayfield and Ferguson, the two men who were the least qualified of any of the five men offering for the Senate, were the ones who received the highest number of votes in the first primary. The long and distinguished service of Charles A. Culbertson was forgotten in the fight over such petty issues of whether Earle Mayfield really played poker in Austin and whether Jim Ferguson obtained \$150,000 as a bribe or as loan. The superb reasoning and polished and dignified discussions of public questions by Clarence Ousley were swept aside by considerations of such import as whether Earle Mayfield was still a member of the Klan and whether Jim Ferguson was the paid employee of the defunct liquor interests.

The warning of Mr. Smith is timely, but it seems to The Record that he might have gone still further and warned the Democrats against the pernicious influence set in force by the intrusion of such organizations as the Klan into party affairs. Cheap politicians of the Ferguson and Walton stripe want no better opportunity than was afforded them by this fact. The safest policy with regard to men of the Walton type is to keep the councils of Democratic party free from the taint "isms" and appeals to class feeling of every kind and character.

MORAL RISK IN INSURANCE.

According to reliable statistics fully eighty per cent of all fires are preventable. There is another factor in American fire hazard which is unknown in other civilized countries—the moral risk.

By moral risk, it is meant that there are people who will deliberately burn their property in order to collect fire insurance. Every fire insurance man who knows anything about his business knows that the moral hazard is not a negligible one. Agents of fire insurance companies are authorized to refuse to write insurance where the moral risk is doubtful.

This is an unpleasant fact, but we can never bring our fire losses down to where they belong until some effective means is found to check criminal fire losses.

The surest way of course, would be to send people to the penitentiary who are found guilty of burning

their property, but this is difficult. A man who decides to have a fire can arrange it in such a way as to make it impossible to prove up a case of arson.

There is one cause for criminal fires, though, that could be reached. It is entirely too easy for small companies to get into the fire insurance business. It is too easy for persons without experience or knowledge of fire insurance to establish agencies. It is natural that new agencies and new companies should be eager for business, and they fall heir to undesirable risks. The losses must be paid and the aggregate of the losses determines the rates.

We would all take a little keener interest in preventing fires if we would only stop to realize that when our neighbor has a fire we must pay his loss. It is unavoidable. We are only deluding ourselves and wasting money when we shut our eyes to these obvious facts in our fire record in this country.

THE FRIENDLESS CHILD.

(By Phoebe K. Warner)

Can you think of anything more pathetic in this world than a friendless child? A little human being born into this world without either its own knowledge or consent. Had nothing to do in selecting its parents or its home into which it was born. Had nothing to do with its own origin. Planted none of the seed of its own nature with it. A little human being born into a world of love and plenty but naturally inheriting only hate and poverty. A homeless, helpless, friendless child with a body to get cold and hungry and no one to clothe or feed it. With a heart to ache and no one to love it. A mind to develop and no one to develop it; a character to mold and no one to mold it.

There are thousands and thousands of these little friendless folks scattered about over our land and nobody seems to want them. But they are not entirely friendless or forgotten, for somebody, somewhere is thinking of them and planning ways for their care and happiness, and education. And some day when the heart of the whole world gets a little bigger and a little warmer there will be no homeless, friendless children. As proof of this faith there is one more new home for children being made ready now.

This home is already built, and paid for. It is the gift of Mr. and Mrs. Allen Early and their children, to the children of the Panhandle and Texas. This beautiful home is located in the city of Amarillo. Some of you may know it as the Lowry-Phillips Military College which was built in Amarillo about twelve years ago. It is well located with plenty of playground and many big, well lighted rooms. It is the home where the military students were housed as well as educated. It is built for public service with beautiful living rooms and a good auditorium and first class rooms for children's play rooms and sleeping rooms and sick rooms when there must be a sick room.

For several years this fine piece of property has been standing idle much of the time while scores of little children needed a home, and a place to sleep and play and to be clothed and fed. It was Mr. and Mrs. Allen Early of Amarillo who saw the children going to waste and who also saw this beautiful building and grounds going to waste and a real opportunity for service to humanity going to waste. And a few months ago Mr. and Mrs. Early purchased the Lowry-Phillips property and presented it to the Presbyterian church of Amarillo as a home for children.

The gift was accepted by the church with all the obligations that must necessarily go with such a great work. But it is the desire of both the givers and the church that received the gift to make the home more than a Presbyterian Home for children. There is no such home in all the Panhandle or surrounding country. For this reason the Presbyterian church of Amarillo and the Panhandle is planning to make a Panhandle Home of this gift, where all children regardless of creeds will be welcomed into a real home.

The amount already invested in this home by Mr. and Mrs. Early is \$25,000, which covers the entire

purchasing price of the property including more than 100 lots and all the improvements on the ground. The same building if erected today would cost more than twice as much money and if the ground were on the market today it would be many times the amount paid for it at the time of the transfer. The property as it stands represents an investment of from \$50,000 to \$75,000. And it is so located that additions can be made whenever the demand appears.

But it takes more than a building and ground to complete a home for children. It takes furniture. It takes food. It takes clothing. And it takes men and women trained for the service. And all these things create a demand for an endowment fund from the very start. But here again Mr. and Mrs. Early have already pledged \$10,000 more on the endowment fund of \$50,000, providing the city of Amarillo will complete the \$50,000.

Then comes the current expense which must be met day by day, but there are scores of folks waiting to know what they can do and in just a few more days you will all be notified how you can help most in this great work of caring for the homeless children of the Panhandle and other parts of the State.

It is the plan of the board of managers of this new home to open its doors to the children as a New

Year Gift to them. Can you think of any better way to start the New Year off than this? But before that can be done all things must be made ready for this wonderful home coming. That the home may be opened and ready to receive the children by January 1, 1924, it is necessary to put over a financial campaign for the cause.

The time set for this campaign is the second week in October. And it is the hope of the finance committee to have every dollar necessary for the operation of this new home provided or promised by November 1st. Unless this can be done the opening on January 1st will not be possible.

The business management of this new home has been assigned to the First Presbyterian Church of Amarillo. But as proof of their desire to share this gift with all the churches and all the people of the Panhandle the Board of Directors has been selected both within and without the Presbyterian church and within and without the city of Amarillo. Everybody who appreciates this gift to the homeless children of our country is invited to help in any and every way they can to make this one of the happiest homes in all Texas for little children.

A special effort will be made in all the Presbyterian churches the last Sunday in October to help prepare the home for use. Every

church in the whole country is invited to take part in this day's observations and send any amount they can to help the work. The Panhandle has stood for everything good in the past. It has led the State in building new homes, fine schools and beautiful churches in the past quarter of a century. But what will the Good Lord think of us if we build and support a million beautiful churches in His name and neglect His homeless children?

From the famous Mill that makes Aunt Jemima Pancake Flour comes

as good as the name indicates for Biscuits, Cakes and Pastries

WORTHY of the famous name it bears, a new flour has come to town. Old Aunt Jemima wanted to sponsor a soft wheat flour as good, as pure, as dependable as her pancake flour, known in practically every home in America. She wanted to show folks how delicious biscuits, cakes and pastries really could be made. And her wish has come true. The dear, good old Southern cook, through the medium of this newspaper, asks every woman, who takes real pride in her table, to try this wonder flour which is providing housewives a new standard of perfection in baking. Ask your grocer.

AMERICAN ★ LEGION

Indianapolis, Oct. 5.—The sun sets upon the American Legion. Veterans of the world war scattered to the four corners of the world and have joined other grades in forming hosts of the Legion. The annual report of the legion's national treasurer shows the legion has chartered posts in seventeen foreign countries and five territorial possessions of the United States. In addition to the eight states and the District of Columbia.

With almost five hundred members, the Mexico department of the legion leads all other foreign divisions. Posts have been established in the following countries: Argentina, Brazil, British Isles, Canada, China, Cuba, France, Germany, Guatemala, India, Japan, Korea, Mexico, New Zealand, Poland, Turkey as well as in the territorial possessions of Alaska, Canada, Hawaii, Philippine Islands and to Rio.

New York is the largest home department of the legion. Its 55,417 members will give that state a total of sixty-three delegates at the national convention in San Francisco, October 15-19. Illinois, Pennsylvania and Ohio follow in rank order.

ERIAN LEGION OPPOSES DEBS SPEECH IN DENVER

Indianapolis, Oct. 5.—Garland W. Debs, national Americanism director of the American Legion has issued the action of the Colorado Americanism Commission of the legion in opposing a proposed lecture by Eugene V. Debs scheduled for the civic auditorium in Denver, October 3.

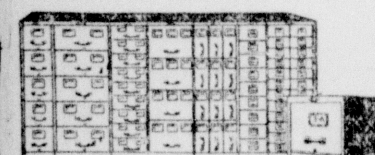

Debs has suggested that the legionnaires bring every influence to bear upon public officials to stop the appearance of the war traitor. In spite of their objections, well has urged that an all-American mass meeting be held to interact the utterances of Debs. The legion vigorously opposed the case from prison of Debs and for war men who opposed the operation of the draft and other war measures. Its national conventions have declared against the release of so-called political prisoners, who now serving prison sentences for offenses committed during the war.

(These) Are The Hours That Count

MOST of your time is mortgaged to work, meals and sleep. But the hours after supper are yours, and your whole future depends on how you spend them. You can fritter them away on profitless pleasure, or you can make those hours bring you position, money, power, real success in life.

Thousands of splendid, good-paying positions are waiting in every field of work for men trained to fill them. There's a big job waiting for you—in your present work or any line you choose. Get ready for it! You can do it without losing a minute from work, or a wink of sleep, without hurrying a single meal, and with plenty of time left for recreation. You can do it in one hour after supper each night, right at home, through the International Correspondence Schools.

Yes—You Can Win Success in an Hour a Day

Hundreds of thousands have proved it. The designer of the Packard "Twin-Six," and hundreds of other Engineers, climbed to success through I. C. S. help. The builder of the great Equitable Building and hundreds of Architects and Contractors won their way to the top through I. C. S. spare-time study. Many of this country's foremost Advertising and Sales Managers prepared for their present positions in spare hours under I. C. S. instruction.

For 31 years, in offices, stores, shops, factories, mines, railroads—in every line of technical and commercial work—men and women have been winning promotion and increased salaries through the I. C. S.

No matter where you live, the I. C. S. will come to you. No matter what your handicaps or how small your means, we have a plan to meet your circumstances. No matter how limited your previous education, the simply-written, wonderfully-illustrated I. C. S. textbooks make it easy to learn.

Make Your Start Now!

When everything has been made easy for you—when one hour a day spent with the I. C. S., in the quiet of your own home, will bring you a bigger income, more comforts, more pleasures, all that success means—can you afford to let another single priceless hour of spare time go to waste?

This is all we ask: Without cost, without obligating yourself in any way, put it up to us to prove how we can help you. Just mark and mail this coupon.

Foard Valuations Show Slight Loss From 1922 Totals

Foard County's tax rolls for 1923, just completed, show a total valuation of \$4,987,415, a decrease of \$161,001 under last year's roll, according to the Foard County News.

This year's valuations are divided as follows: Resident tax payers, \$3,783,320; non-residents, \$835,820; unimproved property, \$282,875; railroads, telegraph and telephone properties, \$31,510; banks, \$29,150; property which has not heretofore been assessed, or what is termed back year's rolls, \$24,440.

The total amount of taxes to be paid on property in Foard County this year will be \$132,792.58, for state, county, road, school and polls. Of this amount \$40,208.11 will go to the state; \$47,792.57 will go into the funds used for the general needs of the county; \$7,461.73 will go into the road funds and \$37,329.87 will go to school districts in the county.

ROBS CALOMEL OF NAUSEA AND DANGER

Medical Virtues Retained and Improved—Dangerous and Sickening Qualities Removed—Perfecting Tablet Called—"Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

It is non-toxic, constipating, head-aching, indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. Adv. 17

What Constitutes A Benefactor?

An old adage says:
"He is a benefactor who makes two blades of grass grow where only one grew before."

This gives a graphic and understandable definition of a "benefactor." Coming on down to modern times and amplifying this definition we know that the man who finds the means of making one man do the work of two or more is a benefactor. The man who designs an engine that will do twice as much work on the same amount of fuel as other engines is a benefactor.

But what about the man who employs two men to do the work that one can do just as well? What about the man who uses two engines to do the work of one? Certainly he falls short of the definition of a benefactor in the old adage quoted above.

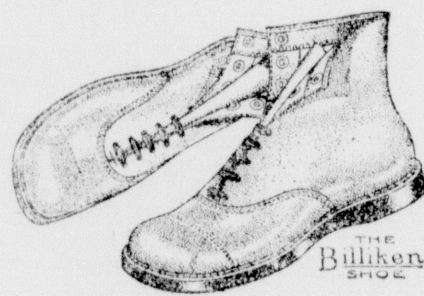

Vernon has two light plants doing the work of one, employing two groups of men in the work of one group, running two engines where one is amply able to produce the electrical energy required to serve the community and building a system of poles, wires, transformers and other necessary parts of a complete electric system, where only one such system is needed.

Is such duplication sound business policy? Do you employ twice as many men as you need in your business? Do you build twice as big a house as you need?

Figure it out for yourself and measure it by the standard of the definition of what constitutes a benefactor.

HART SCHAFFNER & MARX COATS FOR WOMEN

What would you say about these coats? We asked that question of a woman who wears one. This was her answer:

"I like them not only because they're so good looking but because they're so comfortable and useful. You can wrap yourself up in them; let them hang carelessly; or button them up carefully and look real precise if you want to"—

You'll probably like them for the same reasons

DOANS.

The rain and hail of Wednesday ruined several crops in this community. Some cotton and late feed is a total loss and several outhouses were completely demolished. Among those who suffered a terrible loss were: Mr. Ramsey, Mr. Swanson, Mr. Frank Wilson, Mr. W. L. Capps, Mr. Roundtree, Mr. Hill, Mr. Richardson, Mr. Morris, Elmer Owen, Ed Armstrong, Bert and Levi Capps and those that were not damaged so bad were: Mr. O'Neal, Joe Armstrong, J. C. Wilson, R. A. Satmon, H. G. Akin, J. S. Rowland, Bob Owen, Harrold and Claude Briscoe, Bill Hamm and several others were only slightly hailed out. The storm only lasted about five minutes, but stones fell as large as a teacup and many of them. Several wind shields in cars and the tops were beaten to pieces. Several houses did not have a window glass left and shingles were beaten off. The wind which accompanied the hail was a terrible gale. Some cotton was beat into the ground and the middles of the rows are lying full of green bolls. There are fields that were fine cotton, that are perfectly bare. The storm went northeasterly. Mr. Arnold and Mr. Bruce were also in the stricken path.

C. F. Doan spent Friday and Saturday in Vernon.

Mr. Holland and family attended Sunday School here Sunday afternoon.

Mrs. Roy McClure was in Oklahoma Wednesday.

Frank Wilson went to Vernon Thursday after covering for his

CALIFORNIA GOVERNOR DENIES PART IN PLOT.

Gov. Friend W. Richardson.

Governor Friend W. Richardson, of California, has emphatically denied that he promised a political appointment to George D. Hardwick, former secretary to A. E. Boynton, Chairman of the California Republican State Committee, for causing the publication of the now famous "Johnson to McClatchy Letter." Hardwick is said to have confessed that he took the letter from Senator Hiram Johnson out of the files and gave excerpts to a San Francisco newspaper.

draw upon his own store of knowledge and European courts, adroitly adapting the stiff costumes to the youth and beauty of the star. There are sweeping trains, glittering head-dresses, gaily plumed hats, gowns of silks and silks, velvet and cloth of silver and gold encrusted with gems and carried out in a harmonious color scheme which only an artist could devise.

It took three big studios to film "When Knighthood Was in Flower" which comes to the Vernon theater next Monday and Tuesday. No pains or expense were spared to make the picture one of the finest ever seen on the screen. Robert G. Vignola directed. The cast assembled in support of Miss Davies is a most notable one and includes such well known players as Ernest Glen-dinning, Ruth Shepley, Theresa Conover Maxwell, Macey Harlam and others.

Lyn Harding, an eminent English actor, was brought from England especially to play the part of Henry VIII. for this production. Forrest Stanley, popular leading man of the screen, is cast as Charles Brandon, captain of the guards, for whom Mary gladly renounced a throne. Other members of the big cast are well known on stage and screen.
